

China – ship & hotels

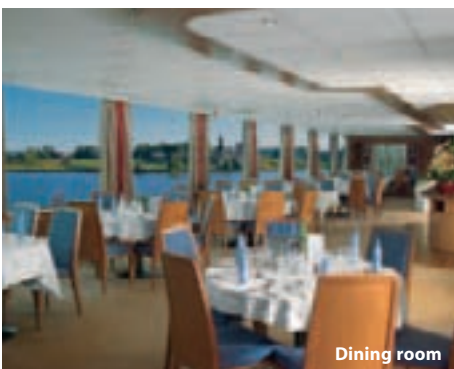

Viking Century Sun

This ship has been awarded a 5-star rating by the China National Tourism Office.

Best ships on the Yangtze

The sensational river ship Viking Century Sun has received a coveted 5-star rating from the China National Tourism Office. It features a sweeping atrium-style lobby and an array of facilities that you'd expect from a 5-star hotel, including two elevators, a gym, sauna, massage room, business centre, internet café and coffee bar, as well as the services of a doctor and beauty salon.

Each of the spacious, outside staterooms features a balcony - for perfect views of the incomparable Yangtze River scenery, individual climate control, TV, safe, private bathroom with shower and hotel-style beds.

Dining room

Gourmet dining

Celebrity chef Martin Yan has created a delightful onboard Chinese menu, exclusive to Viking. The menus were designed to give you a combination of authentic Chinese cuisine and traditional Western food favourites. Meals ashore feature regional specialties, such as China's delectable dumplings, at carefully selected restaurants. You'll enjoy special treats such as Peking Duck in Beijing and a sumptuous Tang Dynasty banquet in Xian.

Experienced staff

With offices in Beijing and Chongqing, Viking has a seasoned management team to oversee all aspects of your

journey. Most of their very knowledgeable guides have 10 to 20 years of experience, making them the perfect host for your trip. They are with you throughout your stay.

Superior China hotels

For city stays on the cruisetours, we select 5-star hotels with legendary names like the Regent and Ritz-Carlton. They combine convenient central locations with high-quality amenities, providing for your every need. And as an added benefit, guests who travel in our premium onboard staterooms (Category A and higher) enjoy deluxe hotel rooms at truly renowned properties including Raffles (Beijing), Westin (Shanghai) and Shangri-La (Xian).
